New Business

- 1. Bass Council update – City budget cuts:** City cut the lakes department budget by about \$60k for 2025. This will result in the following closures:
 - Sutherland will be closed on Mondays
 - El cap will be closed for all of January
 - Hodges will open a month later than usual
- 2. Invasive Aquatic Species Form** – Make sure to keep a copy of this form on your boat in case of inspection. It is available on our club website under the forms and publications tab.
- 3. No check-ins before Tx start** – We will continue to not have a formal morning check in. Boaters and backseaters should coordinate between themselves on meeting up, but all paper work and entry fees will be submitted at weigh-in. If you have to leave early, you are still on the hook for entry fees.
